

Terms and Conditions of Use

By using these files you agree to the following terms and conditions:

These files are created by Nature Inspired Learning and are for personal use at **your home, in your classroom, or public library.**

Files are for non-commercial use. Selling printed or digital copies of these files is prohibited.

- Storing or distributing these files on any other website or another location where others are able to electronically retrieve them is **prohibited**. This includes, but is not limited to emailing them, posting to Facebook groups, drop box, your personal website, etc. **You may** save them for your own personal use on your personal computer. **You may** print off as many copies as you would like to use in your own classroom, home, or public library.
- **You may** take photographs of your children or students using the files and post them online. If doing so, provide credit to Nature Inspired Learning with an appropriate link back to natureinspiredlearning.com
- If featuring a printable on your blog, website, or other online space you **may not** link directly to a PDF downloadable file. All links must be to natureinspiredlearning.com or to the blog post about the printable.
- Adult Supervision is required for all activities.
- Thank you for your understanding. By following this Agreement, I am able to continue to create and provide resources for you to use with your kids.

Modification of Terms: Nature Inspired Learning has the right to change or modify the terms of this Agreement at any time. Modifications will be effective immediately and shall replace all prior Agreements.

If you notice a typo or have any questions feel free to email me at julie@natureinspiredlearning.com

Types of Clouds

CLOUD ACTIVITIES

ACTIVITY 1

1. Sort the clouds into at least 3 groups based on observations you make.
2. Explain why each cloud is placed in that group.

ACTIVITY 2

Identify the different types of clouds in each picture.

Hint: There might be more than 1 type in each

ACTIVITY 3

1. Pick one of the cloud pictures.
2. Write a story from the point of view of that cloud.
3. Include facts about that type of cloud in your story.
